Carnegie Mellon University
5419 Wean Hall
5000 Forbes Avenue
See our website for directions

A program run by students at CMU Women@SCS
No reservations required-come to any or all sessions.
We run this program because we think technology is
cool, and girls can be great at it-we’ll show them how,
and have fun doing it.

Lego Mindstorms... Alice Programming... Photoshop... Graphics
Computer Security... Movie Making... Games... Animation
